Capital Career Fair

We're excited to announce that Job Service, Bismarck State College, and United Tribes Technical College will be hosting the very first Capital Career Fair! This career fair is a collaboration between all 3 entities to host one big event to bring students, the public, and employers together in one place. Why we decided to host one big event versus separate career fairs was so that everyone could attend without conflicting with other fairs. Please join us, you won't want to miss out on this HUGE event!

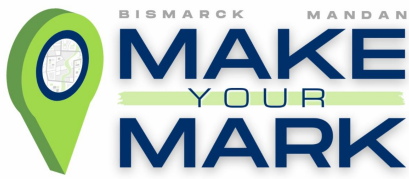

EMPLOYERS:

You don't want to miss this opportunity to connect with job seekers! Register to reserve your booth by clicking the link below. The cost to rent a booth for this event is \$450.
