

# TOWN OF KIRTLAND

MARK DUNCAN, MAYOR

June 8, 2021

Greetings!

Thank you for looking over all that the Town of Kirtland and western San Juan County has to offer. We call it home and would love for you to consider our town as your home too. We are a friendly place with hard-working people who look out after each other. Our neighborhoods are varied, safe and affordable. We call ourselves "the town where neighbors matter."

You have the commitment of this office and Town Council to be responsive to your needs and concerns. After all, we are your neighbors too.

Please, even if passing through on vacation play a round of golf at our Riverview Golf Course, check out our stores, take a country drive down by the river and enjoy a Navajo Taco. We have a lot to offer in Kirtland.

Sincerely,

Mark Duncan  
Mayor  
Town of Kirtland
