About Apex Accelerator

- Congress established the Procurement Technical Assistance Cooperative Agreement Program in 1985 as part of the Department of Defense (DoD) Authorization Act
- PTAC was designed to assist businesses (focusing on small businesses) with **federal, state and local government contracting**
- The program is funded by the federal government through the United States Department of Defense (DoD) and locally by Thurston EDC and Kitsap Economic Development Alliance
- In 2023 our name changed from PTAC to APEX Accelerator
- We help businesses of all sizes, small and large

Articles and Resources

- **WA APEX online**
- **KEDA APEX page online**
- **Newsletter**

We can't (in case you were wondering)

- Provide general business planning or advising services ... but we can provide warm referrals to our partners
- Advocate or lobby for specific socio-economic groups or clients
- Represent the firms we work with in the marketplace
- Prepare your proposal
